

Dear Fellow Business Owners and Supporters:

Everyone in our community knows of someone who has faced the terrible, frightening disease of cancer and seen firsthand the impact that it has in so many ways.

You are invited to participate with the Aberdeen Chamber of Commerce, Aberdeen Lions Club, Aberdeen Rotary Club, American Legion Post, local government, friends, family, and survivors of cancer at our **Think Pink Aberdeen Md.**

Together, we will **Paint the Town Pink**, raise funds to support cancer patients right here in Harford County. From decorating store fronts with **Pink Ribbons** to promoting your business throughout the community-including car clings and more. These efforts will assist cancer victims and their families who struggle with medical bills, doctor appointments, treatments, and transportation.

The Cancer LifeNet Program at the Kaufman Cancer Center anticipates serving more than 1200 cancer patients and their loved ones in 2019. Over 85% of those served by the Cancer LifeNet Program resides in Harford County. The need for cancer care and support services is real and urgent. Of the documented Cancer LifeNet Program participants many them were residents of Aberdeen.

Become a **THINK PINK BUSINESS MD!** Agree to display promotional signage during October Breast Cancer Awareness Month.

Contact us at Director@aberdeancecc.org or www.thinkpinkaberdeenmd.org.

Thanking you in Advance for your Support

Vickie Horne, Chairperson
Sheryl Davis Kohl, Chairperson

Must Reply by September 28, 2020
